

Level 2 Ed Tech Certification

Step 1

Register for the Level 2 Certification course in MIDAS

Level 2: course #31828 at <https://usbe.midaseducation.com/>

All participants select the online section.

Also select any date-specific sections you would like to attend in person.

Step 2

Self-enroll in the Level 2 Certification course

The self-enroll URL is posted in the MIDAS course description. Click the “About” button to view the complete description.

Step 3

Complete at least 13 Level 2 modules

To complete a module participants must complete all assignments at mastery level.

Step 4

Complete 6 1-hour observations with your school’s Ed Tech Coach

Observations are usually conducted while you’re teaching in class with students. Choose any 6 modules, and the Ed Tech Coach will observe your mastery of the associated “I can” statements and will complete the observation form.

Step 5

Complete the Level 2 stipend timesheet

Your Ed Tech Coach will give you a copy of the timesheet and show you how to complete it. District mail the timesheet to Justin Andersen, ISD, CAB West. Your Ed Tech Coach or Justin Andersen will sign the “administrator” line of the timesheet.

Step 6

Complete the “Final Steps” module in the Level 2 Certification course

In this module you will review all of the course requirements and indicate what kind of credit you would like to receive. If you choose SUU credit, follow the instructions for sending your payment to Justin Andersen.

When all steps are complete, you will receive an email from Justin Andersen indicating that your credit and stipend have been submitted. Payment and credit are usually received the month following submission. SUU credit may take a little longer.
